

#UnitedForPublicServices

NATIONAL DEMO

3 October, Manchester

PROTEST THE TORY PARTY CONFERENCE!!

Your Unison Branch will be sending a clear message to the Tories that they are not welcome in Manchester and that we as trade unionists will fight their cuts and underfunding of our precious NHS.

There will be a national demonstration and march on Sunday 3rd October and Unison hopes to have a strong presence. We will assemble at 12.00pm at the railings outside Cobbett House, Manchester Royal Infirmary and move on to join the main rally.

Come and join your reps, branch officers and other members of your branch and let's make some noise to show this Government that we are #UnitedForPublicServices.
